

## HIGH PEAK MULTI-AGENCY TEAM

### New Mills Link Group

The High Peak Multi-agency team are launching a new support group for parents and carers of children and young people who are on the Autistic spectrum, have Autistic traits or related behavioural conditions, with or without a diagnosis.

The support group will offer opportunities for parents and carers to gain information on topics such as online safety and how to deliver this information to children and young people, diagnosis of autism, where parents and carers can access help.

The support group will also provide opportunities for parents and carers to give advice and share experiences within a non-judgemental and confidential setting. The support group will include a monthly guest speaker to help provide further information for parents and carers on different topics. The overall aim of this support group is to provide peer support for parents and carers experiencing similar circumstances.

The support group will start on **Wednesday 14<sup>th</sup> March** and will proceed to run every **Wednesday morning from 9:15 am – 11:15 am (Term Time Only)**

The group will be located at:

**New Mills Adult Education Centre,  
Spring Bank, New Mills SK22 4AZ**
