

Easter Homework – Class C

As it's the Easter holidays we will not be setting schoolwork for the next two weeks. It's your holiday time to relax and have fun with your family. We are however suggesting some fun activities for you to enjoy as a family, without the need for a printer. The Read Write Inc. and maths work that you have is to continue after the holidays.

Music / singing: Learn the words to the fabulous 'Spring Chicken' song and perform it for your family, don't forget to make up some chicken moves.
