Mrs Parry's Newsletter

Goodbye and Good Luck Mr
Waring!

We had a lovely assembly on Monday afternoon to celebrate Mr Waring and wish him luck for his next chapter. Mr Waring has been a valued member of our teaching team for seven years. Over recent times he became our school SENCo which has led to his move to a more specialised setting. We wish him every success for the future.

Well done to Gracie in Y5 for raising money for Blythe House by running a 'Guess the Teddy's Name' Competition at our summer fair. Isabelle is now the proud owner of 'Bunny'.

Goodbye and good luck to our wonderful Y6's. You've made us very proud this year and we wish you all happy and fulfilling futures. Be sure to come back and see us in your new uniforms!

A Note From One of Our PTFA Members

Hi, I'm Lorna, some of you may know me as Max and Nancy's mum... others may not know me at all! Last week I had the pleasure of being involved in Class C & D's school trip, subsidised by our PTFA .

I'm writing this parent to parent to reach out to anyone who may be "thinking of" or perhaps haven't even considered joining the PTFA.

On the trip I saw first-hand the rewards of the voluntary effort that our PTFA put in to organising events. I saw the delight on every child's face at some point during the day... particularly when we spotted the elusive red squirrels in the open enclosure! (which as a large group of 33 kiddos is quite difficult.) The point I wanted to share was that if you are able to help ... no matter how little the time you can give to our projects/ events then please do come forward. We'd love to form a bigger team with more experiences to share and more ideas for ongoing events for the future of our school.

For us as parents, the trips can be 'another thing to pay for'... and in these current difficult times the financial benefits of the PTFA take that pressure off. It would be great if we can keep the PTFA going next year on a bigger scale so that the children can continue to enjoy these funded trips throughout the year and keep sparking their interests in the subjects they enjoy so much. Thanks !
